As the foundation of our goal to provide the best complementary education for students, **RUANG SAINS** always preserve **exclusivity** and **quality** of our services at an **affordable investment**.

- **The exclusivity** of our services is preserved by allocating **only 10% of the total number of students** who can access our VIP services in February Edition. **"We only provide VIP services to the selected students"**
- **The quality** of our services is preserved by providing our best mentors and helpful facilities. (you can check our mentors on www.ruangsains.id)

How can we say **affordable investment** on our services?

Because if you do **calculation**, you just need to invest around **IDR 5000–8000 per meeting**. In addition, **you allowed to access other facilities from website and our mentors**.

SUCH A GREAT INVESTMENT RIGHT?
